* With 2 stabilizer links

Control arm sets, front axle to fit Audi A4, A6, A8 / Skoda Superb / VW Passat

  Problem	  Solution
<ul style="list-style-type: none"> • Elaborate installation on the control arm • Premature failure of the hydro bushing • Inadequate dimensioned tie rod end 	<ul style="list-style-type: none"> • Analysis of the interacting basic materials within the ball joints and their optimisation • Enlarging the diameter of ball pin head thus increasing the load bearing capacity • Replacing hydro bushings with full rubber bushings • Use of our full metal tie rod end instead of the weaker original rubber to metal version
Effect	Advantage
Reduced safety and driving comfort	<ul style="list-style-type: none"> • Significant longer lifetime through coordinated components • Reinforced bushings
